### 3. Old Business

### 4. New Business

KSHSAA new items

Top 4 scores per game over top four series

One day for each classification at State

All State Team

Can we change name to ALL KANSAS Team to lessen confusion?

**The board had chosen to rename the All-State Team to the ALL KANSAS TEAM.**

**We are also looking into way to simplify the process and speed it up. VP Long is in charge.**

Catch It Kansas Update

Robert Burkey- **All good, Eric Janzen from KWCH, can do.**

**Catchitkansas.com will be the "official site of the Kansas Bowling Coaches Association" They have agreed to post all scores, league standings, and poll results. EVERYONE needs to sign up with them and submit scores to them. The coaches on the rankings committee will get all of their information and scores from this site. We need one person from each league to also submit standings to the site so they can be posted. Make it a habit to send scores and tell parents, athletes, and others to check here for information. The more popular it becomes, the more they will be willing to modify it to what we would like.**

Team Rankings Update

**Chair Shawn Light, Jodi Floyd, Geoff Poston, Ray Baty, and Mike Perry**

**Committee are likely to put out 3 rankings a year. Pre-season, before regional, and after state rankings. All of their information will be gathered through catchitkansas.com**

**We are also wanting to ask a Western Kansas area coach to serve on this board. Mike Perry of Great Bend has accepted this spot.**

ALL "State" or "Kansas" Team Banquet update

Bev O'Donnell, Mike Long, **Chair Ray Baty**, and Randy Altman

**This committee is working on putting on a large banquet in Mid-April to honor the ALL KANSAS TEAM. Information will be forwarded as the committee goes along.**

MAKE SURE WE REGISTER WITH BOWL.COM

**DO THIS NOW.**

## SURVEY QUESTION

For post-season (Regional & State), we would bowl 3 games to determine individual awards & rank the teams based on their total pins using our new system of top four scores each game. Keep only the top 4 teams in Regional's/State then do baker to determine the winner. 1 vs. 4 & 2 vs. 3 (best 3 out of 5 baker games) winner advances. The winners will do the same format (best 3 out of 5 baker games), winner is Regional/State Winner, while the loser is 2<sup>nd</sup>. The losers of the first baker games will bowl for 3<sup>rd</sup> and 4<sup>th</sup> place.

THIS WILL BE OUR ONLY QUESTION PUT TO THE COACHES. PLEASE UNDERSTAND THAT THIS IS A UNANIMOUS RECOMMENDATION BY THE BOARD AND ALL COACHES WHO ATTENDED THE MEETING IN AUGUST. If anyone has any questions about this, please let me know and have a chance to explain why this is the best thing for the sport before you cast your vote.

### 5. Questions for Cheryl

What is difference between having 2 coaches and a manger in bowler's area as opposed to 3 coaches?

Fairness issue, not a space issue.

Where to you plan on having State next season? Have centers ready to host in K.C. and Topeka

After 2011, there is no schedule. I have notified Cheryl about KC and Topeka.

Please put State participants on lane assignments by school and not score

We may need to this put to a vote.

Simplify and clear up the regional and state forms

Please watch how you place the bowlers on the forms. We will ask Cheryl to maybe have two spots, one for alphabetical and one for line up.

### 6. Adjourn
