## Proposals to the KSHSAA for the Sport of Golf

**Proposal #1:** Should there be at least one KGA Rules official at the state tournament?

**Rationale:** A KGA rules official would be beneficial in the aid of making rulings at the state tournament.

**Reminder:** Would you be in favor of a 2 day state tournament (36 holes total) to be held whenever the State would schedule it?

**Rationale:** A one day State Tournament leaves a lot to chance. The pairings from the regional tournament may not always put the best players together. On the second day of a two day tournament, each player as well as each team, knows where they stand and knows what they will have to do in order to have a chance to finish at the top. It would require sustained superior play in order to win whereas a one day tournament allows one player to have a lucky day and be the state champion. Kansas is one of the few states that still has the State Championship in golf determined by a one day tournament. A two day State Championship will usually have the best players and the best teams finish at the top, which is what a State Championship is supposed to do

6. Should there be at least one KGA Rules official at the state tournament.
