

Dear Coaches,

May 21, 2009

This letter is to inform you of your Classification Selection Committee Representatives and Coordinator's for the Selection of All-State Players this year. I've listed the name and email address of your Representative that you need to send your player(s) nomination ballot form to. **We are doing everything electronically.** You can find the forms on the Kansas Coaches Association (KCA) Website under Softball. Please send it to your Classification Representative's email address. Your Representative will then work with the Coaches listed below from your Classification to select the best players in your class. **The due date for your nomination ballot form to your Classification Representative is by noon, Friday, June 5th.** This email is going out to all the coaches that have joined the KSCA (Kansas Softball Coaches Association) on my emailing address list but, there are still some coaches out there that have not joined our KSCA yet. Please forward this information to other coaches you know to make sure we have as many coaches from across the state represented and informed of this process and encourage them to join the KSCA. You must be a KSCA member to nominate your player(s) for All-State selection.
