

Kansas Softball Coaches Association – Rule Change Proposal Form

Coaches:

Every year we need to evaluate the game of fast pitch softball in our State. This is your opportunity to share your ideas about possible rule changes, season calendar date changes, and KSHSAA policy that you would like to see modified, added to, or changed. Please return your Proposal Form to Jeff Hulse @ Jhulseoe@olatheschools.com. I will share this information with the Softball Coaches across the state who are members of the KSCA. The KCA will present proposed rule changes to the KSHSAA Executive Board in the Spring.

Coaches name- _____ School's name- _____

Coach's address- _____ School address- _____
